NUMBER 5 IS THE LONDON EYE BECAUSE ALTHOUGH IT GIVES YOU A GREAT VIEW OVER THE THAMES, THEY GIVE YOU VERY LITTLE TIME TO ENJOY IT.

NUMBER 4, BUCKINGHAM PALACE IS AN AMAZING SIGHT AND A GREAT PLACE TO TAKE EITHER GROUP PICTURES OR A BREAK. EVEN JUST THE FOUNTAIN IN FRONT OF THE PALACE IS WORTH COMING FOR.
Afterword

The Third, the Natural History Museum is for those who love biology or/and astronomy but even those that donot like that will find something of interest in this museum.
THE SECOND, THE TOWER OF LONDON HAS A WEALTH OF INFORMATION AND SIGHTS, YOU CAN FIND EVERYTHING THERE IS TO KNOW ABOUT THE CROWN JEWELS AND THEIR OWNERS.
NUMBER ONE IS ST. PAULS CATHEDRAL. THE OUTSIDE IS BEAUTIFUL AND THE INSIDE IS MAGNIFICENT AND BIG. IF YOU FOND YOURSELF IN THE NEIGHBOURHOOD IN THE EVENING, THEN YOU SHOULD GO LISTEN TO THE EVENSONG, AWE-INSPIRING AND BREATHTAKING.
